TFC SUMMER OUTING

By Susan Frodigh

On August 18th, we closed the office at noon for our annual summer outing. Taking advantage of the nearby harbor view in the Seaport district, we lunched at Legal Harborside. Not only was the food delicious as expected, but we utilized an interesting mode of transportation—Boston Pedicab.

We loaded up in pairs outside 260 Franklin Street, awaiting to be whisked away to Legal Harborside.

A little traffic never bothered anybody—especially pedicab drivers.

The lunch was terrific and the harbor view delightful!
